The Kent Crusader Rugby Football Club was established in 1991. Our goal is to create upstanding boys and girls in our community through the fellowship of rugby. Our rugby players go through an intense pre-season training program, to prepare them for the season to come in the spring. We believe their dedication and hard work are the foundations for which we base our past success and will lead to a successful 2008 season.

Our club does not receive support from local school districts. Expenses for participation are considerable. Your donation will help offset expenses for field charges, referees, travel, both local national and international this year, and uniforms. Both the boys and girls teams plan several trips this year; where they will gain knowledge of how people live in different cultures while at the same time gain valuable rugby experience. Plans have already begun for our trip to New Zealand over spring break. We also hope to represent the Pacific Northwest at the National Championships in May 2008. Please help us fulfill the goals and dreams of our young men and women, as we prepare for an exciting 2008 rugby season.

Go Crusaders!

I would very much appreciate your sponsorship of my rugby activities. I will be participating in an intensive pre-season conditioning program to maximize my ability, so that I may help my teammates reach the National Championships.
